COLFAX PLANNING COMMISSION

August 21, 2024

CALL TO ORDER:
Voderbrueggen called the meeting to order at 5:30pm.

ROLL CALL:
Don Moore, Adam Hoffman, Donna Huntwork, Al Vorderbrueggen, Sean Miller. Present
Jim Retzer & Shawn McSweeney. Also Present

APPROVAL OF MINUTES:
A motion was entered by Huntwork and seconded by Hoffman to approve the minutes from July.

OLD BUSINESS:
Chicken Code: The members continued to work through the chicken code corrections, incorporating the changes requested by the City Council. These include adding a one-time lifetime license fee per household, allowing a maximum of five hens per property, and ensuring the code is equitable for all lot sizes.

Comp Plan: No real change with the update. The plan is to proceed with updating the document chapter by chapter. The Washington DOT did reach out and they are updating population signs, and ours will reflect a change to 2,825 residents so that will be incorporated into the new Comp Plan as well.

ADJOURNMENT:
Vorderbrueggen adjourned the meeting at 6:10pm.
